**ACHIEVING GOALS
WITH ASSTRA**

Asstra is a reliable international transportation partner that guarantees high-quality, integrated logistics solutions. Every day, Asstra specialists serve over 1250 global routes with expertise backed by the company's rich experience in international transport and long-standing relationships with leading global enterprises. Among our most popular shipment destinations are Western, Northern, and Southern Europe, the Baltic states, the Balkans, and the CIS including the Russian Far East and Central Asian countries.
